RE: **RELOCATION SUB-COMMITTEE**

As you are aware, the Board of Education of Community Consolidated School District 146 approved a plan to demolish the existing Fulton School building and construct a new PreK-5 school on the site that will combine all Fulton/Sandidge students into one school.

The construction on the new school will begin during the summer of 2008 and continue for the entire 2008-09 school year. Therefore, Fulton students will have to be relocated during the construction period.

The Board of Education is forming a **Relocation Sub-Committee** to assist in the process of working out the details of relocating the Fulton students during the period of construction. This committee will consist of 2-3 parents, staff members, administrators and Board members. If you have a flexible schedule and are interested in volunteering for this task, please submit a one page resume to:

Laura Bachman, Board Secretary
Community Consolidated School District 146
6611 W. 171st Street
Tinley Park, IL 60477

Resumes should be received by 1:00 p.m., Friday, October 12, 2007, in order to be considered for the Relocation sub-committee.
